

Marty's Music - User Manual

Main Window: Marty's Music

The purpose of this main window for this GUI is to give information about Marty's Musical journey. A label describing Marty's Music will appear, along with two buttons. Pressing the "Click to see latest photo gallery" button opens a new window. Pressing the "Exit Marty's Music" button exits the Main Window. The two buttons are shown below:

Click to see latest photo gallery

Exit Marty's Music

Second Window: Marty's Music - Photo Gallery

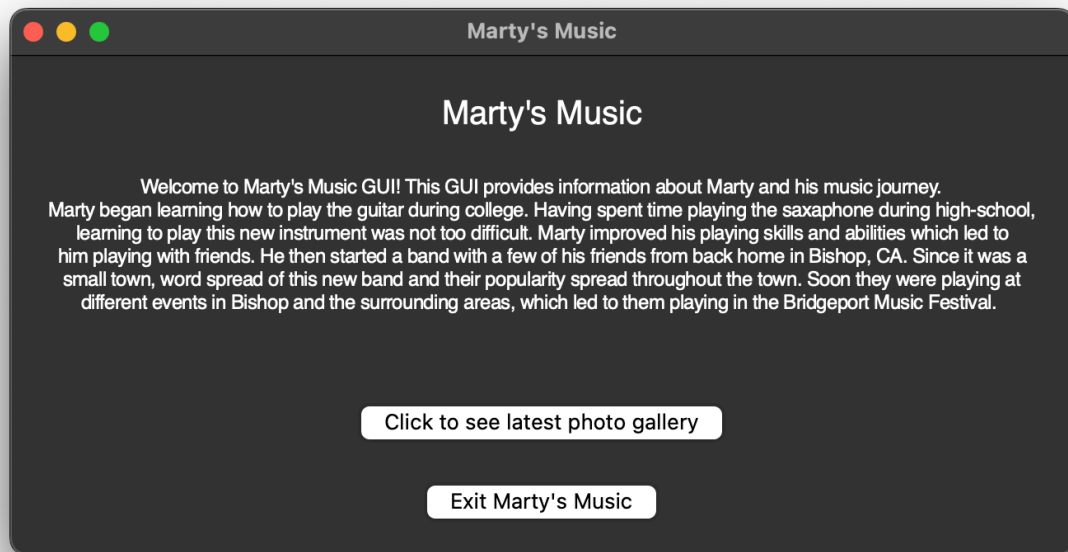

The purpose of this secondary window for this GUI is to show the user a photo gallery of Marty's performances. A label describing this window will appear, along with two images and an exit button. Pressing the "Exit Photo Gallery" button exits the Secondary Window. The "Exit Photo Gallery" button is shown below:

Exit Photo Gallery
