

Validation Testing

Main Window: Marty's Music

To validate the Main Window is working correctly, the window should appear. A label describing Marty's Music will appear, along with two buttons. Pressing the "Click to see latest photo gallery" button opens a new window. Pressing the "Exit Marty's Music" button exits the Main Window.

Second Window: Marty's Music - Photo Gallery

To validate the Secondary Window is working correctly, the window should appear. A label describing this window will appear, along with two images and an exit button. Pressing the "Exit Photo Gallery" button exits the Secondary Window.
